Simple Design, Innovative Technology - Slay 90+ Percent of Germs with ElectroZoom XL

Your home is under siege, and your family is in peril; germs are invading your home. Perhaps you have a child with allergies or allergies yourself and need a solution. Defend yourself and your family with the ElectroZoom XL, the first industrial-strength consumer vacuum with a hypoallergenic cleaning system.

With its wide range of innovative features, the ElectroZoom XL is perfect for any health-conscious family that wishes to step up their cleaning game. The ElectroZoom XL will allow its user to kill 90+ percent of pathogens in their home, letting them breathe cleaner air.

- **Elimination** – UltimateUltraWave, our ultraviolet germicidal irradiation light, enables you to eliminate 90+ percent of germs
- **Ease** – You can easily detach your Pop-N-Go to campaign against germs on any surface
- **Everywhere** – With cordless operation functionality, your ElectroZoom XL can fight germs anywhere for up to 60 minutes

GermStat
GermStat is a HEPA-certified hypoallergenic microfilter filtration system that pulls in dust, pollen, and pet hair, leaving behind no after-dust. The patent pending technology also removes 99.97 percent of particles as small as 0.3 microns in size.
